PROFESSIONAL MCPTT ALL-IN-ONE SOLUTION

The Mission Critical Dispatcher software offers a comprehensive suite of features to ensure real-time monitoring and management of all field units. This solution facilitates seamless access to a range of functionalities, from live tracking to NFC-Patrol and Covert Listening, enabling you to maintain an informed and strategic approach in managing your operations.

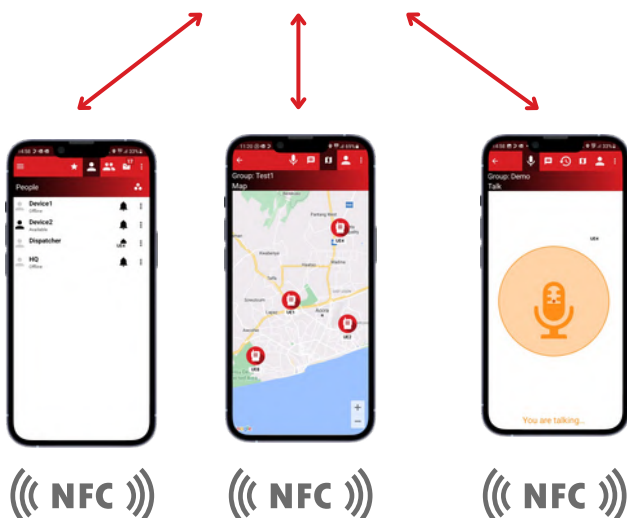

WINDOWS DISPATCHER

The MCPTT dispatcher offers large and multi-display dispatchers for terminals and other wide spaces. You can easily track Mobile App from Windows Dispatcher and communicate with it. Audio in/out and text-input can be integrated using standard devices and connections, including wired and bluetooth.

MOBILE APP DISPATCHER

The dispatcher App is compatible with any Android 2.3 and up, and works over 2G, 3G, 4G/LTE, Wifi and wired internet. You can run the app in the background or in conjunction with other applications to prevent multiple handsets.
