

BECOME A TRAMIGO RESELLER AND START EARNING IN 7 STEPS

Joining the Tramigo Reseller Program is quick and simple. With **dedicated support** and **easy-to-follow steps**, we ensure you're up and running with no hassle, ready to start selling and growing your business.

APPLY

Apply to become a Tramigo Reseller by filling out the contact form.

GET CONFIRMATION

Our team will contact you as soon as possible to confirm your application and introduce you to Tramigo and our Reseller Program.

TWO-WAY REVIEW

You will receive a Tramigo demo product to test, and our team will be available to support you with any questions to ensure a smooth testing process. At the same time, we will conduct an internal review of your business.

GET APPROVED

Once you are satisfied with our solution and we complete our internal review, our sales team will contact you to discuss the next steps and agreement.

SIGN THE AGREEMENT

Both parties will formalize the partnership by signing the reseller agreement.

GET ONBOARDED

As a new reseller, you will receive training and guidance to confidently sell our solution. We will also provide branded marketing materials to support your sales efforts.

START SELLING

You are now ready to sell! Our team will continue to support you with after-sales assistance, installation services, and technical support.
